To qualify for parish subsidy, families must:

1. Be registered practicing Catholics – That means that families must attend and participate in the Sunday liturgies.
2. Use the church envelopes assigned to the family for the support and maintenance of the parish.
3. Be active in parish fund-raising functions.

Failure to follow these guidelines will result in tuition subsidy being denied and the family will be responsible for the full amount of non-subsidized tuition. Families not registered with Saint Gregory Parish must get a Pastor Verification Form signed by their Pastor.

A deposit of 10% must be paid by the first of August. You will not receive a bill for the deposit due August 1st. This amount will be deducted from the total tuition bill. This deposit may be mailed, dropped off at the school office or placed in the Sunday collection basket in an envelope marked for the school office. Beginning with the start of school, a monthly tuition statement will be sent to you in your family folder. Unless other arrangements have been made, all tuition must be paid in full by the end of May.

Information on tuition aide through the Scholastic Opportunity Scholarship (SOS) Fund will be made available as soon as it arrives in the school office. We usually have this information by the first week in February. Parish aide may not be applied for in the fall if the SOS aide is not applied for by the deadline date in March.

If a student withdraws or is expelled, no refunds will be given. Parents are responsible for any damage to books or school property and will be billed accordingly. All families are expected to volunteer at least 10 hours for PTG fund raisers during the school year or pay a \$25.00 fee for another parent or older student to volunteer for them.
